TRUCK | BUS | TRACTOR  
MODERN & VINTAGE  
CLASSICS

„MADE IN GERMANY“  
FOR ALL BRANDS

## DRIVE BETTER – WITH **KUMA** – KEEP THINGS RUNNING SMOOTHLY!

With over 150 years of experience we are your reliable manufacturer and contact for machine components, specializing in **clutches for trucks, buses, tractors, passenger cars, modern and vintage classics** and their corresponding spare parts.

No matter if one-off products (e.g. for racing or rare classic cars etc.) or the purchase of large quantities by workshops – we provide quality. We are defined by high production and delivery flexibility as well as compliance with stringent quality standards by German production parts, all “Made in Germany”. The reliability of the products is our collective success. **Our product range includes primarily flywheels, clutches, clutch discs, release bearings and release forks for all brands.**

Special applications require custom-made products? **With modern machinery and trained personnel, we are happy to cater to any special customer requests.** We are the right partner for you!

Also available on  
Sundays and holidays:

**24-HOUR  
REPAIR SERVICE!**
